David Stapleton, in support of the PA's Motion for Order Approving Sale of Remaining Patent-Related Assets to Stalking Horse Bidder or Other Prevailing Bidder Under Proposed Bid Procedures (the "Sale Motion"), states and declares as follows:

1. I am the President of the Stapleton Group, Inc. ("Stapleton"), which was appointed by the Court as the Plan Administrator (the "PA") under the confirmed Plan of Reorganization in the Chapter 11 case of Lawrence Kates. The matters testified to herein are personally known to me to be true and correct.

2. The Debtor filed a voluntary petition pursuant to Chapter 11 of the United States Bankruptcy Code on January 12, 2009 (the "Petition Date"). The Plan was confirmed

1 by this Court on April 16, 2010 (Dkt. #279), and Stapleton was appointed as the PA on May
2 14, 2010 (Dkt. # 288).

3 3. The Plan authorizes the PA to liquidate the Kates' bankruptcy estate (the
4 "Estate") outside the ordinary course of business, subject to the consent of the Post-
5 Confirmation Creditors' Committee (the "PCC") and the approval of this Court (Dkt. #158).
6 On September 28, 2011, the Court approved the Patent-Related Asset Disposition Plan
7 proposed by the PA (the "Patent-Related Asset Disposition Plan") (Dkt. #711).

8 4. The bankruptcy estate of Lawrence Kates (the "Kates Estate") currently owns
9 the patent assets classified in groups (#1) Fire Detection, (#3) Animal Training, (#4) Rodent
10 Detection, (#5) Common Cold Defense, (#6) Water Leak Detection, (#7) Touch Screen
11 Remote, (#8) Navigation System for the Blind, (#9) Assistance System for the Deaf, (#11)
12 Motorized Shade System, (#12) Method for Pest Control, (#13) Wearable Electronics and
13 (#16) "Security Detection" (the "Subject Patents") .

14 5. On May 30, 2013, the PA received a \$25,000 offer from the Stalking Horse
15 Bidder (as defined under the Motion) for the purchase of the Subject Patents.

16 6. On June 10, 2013, the Debtor also submitted an offer for the purchase of the
17 Subject Patents, in the amount of \$30,000 "plus a \$30 million earn out."

18 7. The Stalking Horse Bidder has represented that it has no known affiliations to
19 the Debtor, the PA and/or the members of the Post Confirmation Creditors' Committee.

20 8. The PA believes it to be in the best interests of the Estate and its creditors that
21 the sale of the Subject Patents occur pursuant to an auction and that the bid procedures set
22 forth in the Sale Motion apply.

23 9. The PA fulfilled its obligations under the Plan and the Patent-Related Asset
24 Disposition Plan by making best efforts to sell the Patent-Related Assets. The PA has
25 dedicated considerable time and effort in liquidating the Estate's intellectual property. The
26 Patent-Related Assets have been marketed by two highly-esteemed intellectual

1 property brokers, GTT Group and ICAP Ocean Tomo ("ICAP"), and the Subject Patents have
2 been enlisted in ICAP's semi-annual auction on March 20, 2013, without generating any bids.

3 10. The Stalking Horse Bidder's and the Debtor's offers described herein are the
4 first non-contingent, cash offers the PA has received for the purchase of the Subject Patents.
5 In June, 2012, the Debtor submitted a highly contingent offer to purchase all of Estate's
6 patent-related assets, which offer was denied by the PA as burdensome to the Estate.

7 11. In addition to service of the Motion on all interested parties on the Kates
8 bankruptcy master mailing list, the PA, through its intellectual property consultant, has
9 contacted a number of other parties who have previously either expressed an interest in the
10 Estate patents or have been reached out in connection with the patent sales.

11 12. Attached hereto as **Exhibit A** is the Bid Sheet submitted by the Stalking Horse
12 Bidder setting forth the amount of its highest bid. The contact information for the Stalking
13 Horse Bidder is redacted to protect its anonymity in connection with the purchase of the
14 Subject Patents. The unredacted version of the Stalking Horse Bidder's Bid Sheet has been
15 filed with the Court under seal concurrently with the Sale Motion.

16 13. Attached as **Exhibit B** is a form of the Assignment document which the PA
17 shall execute upon closing of the sale of the Subject Patents.

19 I declare under penalty of perjury that the foregoing is true and correct.
